

New Jersey Board of Public Utilities

At its September 16, 2009 Agenda meeting In The Matter of The Provision of Basic Generation Service For The Period Beginning June 1, 2010, Docket No. EO09050351, the Board has directed Staff to withdrawal its question to the New Jersey Electric Distribution Companies (EDCs), as well as interested stakeholders seeking input on the potential benefits and drawbacks of elimination of the requirement in the Supplier Master Agreement that each BGS-FP supplier and each BGS-CIEP supplier to satisfy the Renewable Energy Portfolio Standards with respect to its Supplier Responsibility Share.
