9. List the types of services or products to be offered by the Registrant in New Jersey in connection with community solar: *(attach additional pages if necessary)*

We plan to work for another organization initially on two solar farm projects. One is for Burlington, Camden and Mercer Counties and one is for Newark and Secaucus. I am unclear if Paladin needs to be registered as a subscriber organization if the other company is actually offering the product. In this case it is 20% / 15% savings for LMI (South Jersey/North Jersey) and 10% other. We need to register as a solar subscriber organization for future work also so we are applying. Please call me with questions (609) 456-1636.

10. The Registrant will be operating in the following Electric Distribution Company territories: *(check all that apply)*
