^Applied to increase proposed solar system size from earlier conditional certification

^^Applied for certification of brownfield acreage to append to a conditionally certified landfill project

* Superseded by updated or changed application (5 projects)

Certification Status:	#	MWdc
Completed / Fully Certified	11	119.99
Denied	10	98.27
Conditionally Certified	20	144.23
Withdrawn	6	34.20
Pending review, tbd	5	48.06
Total unique applications	52	444.75

This spreadsheet provides a characterization of the Subsection t application data submitted to Board Staff and current status as of 10.31.19.

For more up to date information on the current status of Subsection t applications that have received conditional certification and final installed capacities of projects that have received full certification from the NJBPU, see
