Thank you for attending the CHP meeting on Tuesday  
Attached is the straw proposal and presentation

As I discussed at the meeting this is the start of a process not the end.  
The goal and objective is to develop a stable and secure financing mechanism for CHP with a net zero impact to the ratepayer

The comment period on this initial straw is open to May 30 2013 and you can submit comments to [OCE@bpu.state.nj.us](mailto:OCE@bpu.state.nj.us)  
With the subj heading CHP Portfolio Standard straw comments

Thanks
