Thank you

STERLING
PLANET

RECs are being purchased by Sterling Planet from the Cape May County, NJ, Landfill Gas-To-Energy facility to offset the 50,000 kilowatt hours of energy used during this 2-day Conference and the resulting 54,800 pounds of carbon dioxide that will be produced.

Welcome

CleanPower Community Partners

New Jersey's **CleanPower** Community Partnership consists of communities that have made a commitment to save energy and reduce greenhouse gases by reaching out to educate their constituents and increasing enrollments in the **CleanPower** Choice ProgramSM and Change A Light campaign.

**Sierra Club -
New Jersey Cool Cities**

Welcome

Cool Cities Municipalities

The following communities in New Jersey have signed on to the Cool Cities' US Conference of Mayors' Climate Protection Agreement. **We applaud their initiatives and encourage them to take the next step to implement effective clean energy strategies to reduce greenhouse gas emissions in partnership with the State of New Jersey and New Jersey's Clean Energy Program™.**

Alexandria Township	Cranford	Holmdel	Middletown	Runnemede
Asbury Park	Demarest	Hope	Montclair	Somerset
