**NOTE TO CUSTOMER:**

*By signing this document, you are attesting that all work has been completed pursuant to your contract. If any part of the work has not been completed, a Field Change Order (FCO) application that indicates the changes must be signed by you and your contractor and then faxed to the program for approval. Your contractor must include a copy of the revised Work Scope Approval document that reflects the FCO changes in the Work Completion submittal paperwork. **If you have any questions or concerns about any aspect of the work performed, you should resolve them with your contractor BEFORE signing this form.***

**Warranty**

Contractor warrants that the work and the equipment furnished in this installation job comply with the requirements as outlined in the Contractor Participation Agreement with Sponsor and program loan provider. In the event that any defect in workmanship or equipment is discovered within one (1) year after payment authorization, Contractor will remedy, repair, correct, or cause to be remedied, repaired, corrected, or replaced at Contractor's expense such defect in equipment or workmanship. The foregoing warranty survives any inspection Sponsor or program loan provider may elect to make.

**Lien Waiver**

**WORK AND EQUIPMENT COVERED BY HOME PERFORMANCE WITH ENERGY STAR FINANCING OR ASSISTED HOME PERFORMANCE SUBSIDY:** Contractor hereby waives and releases any and all lien or claim of, or right, to lien, under laws relating to mechanics liens with respect to and on the property referenced above.

**WORK AND EQUIPMENT NOT COVERED BY HOME PERFORMANCE WITH ENERGY STAR FINANCING or ASSISTED HOME PERFORMANCE SUBSIDY:** Said waiver does not apply to any work and equipment furnished in this installation job that is not financed by ENERGY STAR Financing or an Assisted Home Performance Subsidy. Any costs incurred by Customer exceeding the sum of the ENERGY STAR Financing Loan and the Assisted Home Performance Subsidy, or financed by any means other than ENERGY STAR Financing or an Assisted Home Performance Subsidy, are subject to a mechanics lien or claim under applicable laws relating to mechanics liens with respect to and on the property referenced above.
