

PROGRAM GUIDELINES

- Applicant must be a customer of one of the following electric utilities: Atlantic City Electric, Jersey Central Power & Light, PSE&G, Rockland Electric Company.
- All rebated dehumidifiers must be listed by the EPA as ENERGY STAR® qualified on NJCleanEnergy.com/dehumidifiers.
- Valid for ENERGY STAR qualified dehumidifiers purchased between January 1, 2010 and December 31, 2010.
- Completed rebate application must be postmarked no later than January 31, 2011.
- Rebate application must be completed in its entirety and accompanied by proof of purchase, which consists of a legible copy of a dated and itemized sales receipt.
- Rebate application must include manufacturer, ENERGY STAR model number, serial number, store name, purchase date and purchase price.
- Limit two rebates per utility customer for purchases under this program.
- Unit must be installed in New Jersey.
- Offer limited to new products only.
- Rebates are issued in the form of a check from *New Jersey's Clean Energy Program* (NJCEP) and are **subject to available funds**.
- Customers of municipal electric utilities do not qualify for a rebate.
- Please allow up to 120 days from the date NJCEP receives ALL required information to process your rebate.
- Program procedures, requirements and rebate levels are subject to change or cancellation without notice.

The ENERGY STAR dehumidifier rebate is one of many offerings from *New Jersey's Clean Energy Program*.

Purchase an ENERGY STAR® Qualified Dehumidifier and Receive a \$25 Rebate*!

YOU can save money, reduce energy and protect the environment by purchasing an ENERGY STAR qualified dehumidifier

ENERGY STAR qualified dehumidifiers use 10–20% less energy than similarly-sized units, but remove the same amount of moisture. They have more efficient refrigeration coils, compressors, and fans than conventional models.

Dehumidifier capacity is usually measured in pints per 24 hours and determined by two factors: the size of the space that needs to be dehumidified and the conditions that exist in the space before dehumidification. Please visit NJCleanEnergy.com/dehumidifiers to determine what size dehumidifier you need.

Ready to do more to protect the environment?

Take the next step and call 866-NJSMART to schedule a *Home Performance with ENERGY STAR* assessment for your home to help identify other ways you can save energy.

For additional information contact:
866-NJSMART or visit **NJCleanEnergy.com**

* Rebate applies only to units that carry the ENERGY STAR label.
Limit one \$25 rebate per unit.
Limit of two rebates per customer per year.
See Program Guidelines on back for additional requirements.
