

Local Government Energy Audit Cap Structure

Square Footage	Cap
Up to 750,000	\$100,000
750,000 – 1,500,000	\$150,000
1,500,001 – 2,000,000	\$200,000
Over 2,000,000	\$300,000

Square footage is determined by adding the square footage of every building than an applicant is having audited.
