

Specific Program Requirements* These requirements are in addition to the Conditions/Eligibility/Requirements on the back of the Program Registration Form.

1. Applicant must submit for approval a properly completed Application Package, which includes a Registration Form and an Application.
2. Please refer to the program guide for additional applicable technical requirements.
3. Please submit manufacturer's certified ARI performance sheet with the application package and mail or fax directly to the Commercial/Industrial Market Manager.
4. Incentive is available for meeting either the full load kW/ton level or the partial load kW/ton, but not both.
5. Incentives are available for new centrifugal chillers outfitted at the factory with Variable Frequency Drives (VFDs) calculated at the appropriate partial load kW/ton level. There is no extra incentive for the VFD.
