I, _____ (name) declare under penalty of perjury, that:

- a. I am the owner or the authorized agent of the customer-sited renewable energy generation facility at the location provided above;
- b. The information provided on this form is true and correct to the best of my knowledge;
- c. This customer-sited renewable energy facility generates renewable energy, consisting of 1) the actual electric energy, measured in kWh, that is either consumed on the premises or delivered via a net metering agreement, or other electricity sales contract, to _____ (utility or transmission / distribution owner) like the production from any other power plant, and 2) all environmental and renewable energy attributes associated with renewable energy production. These attributes are represented by an REC, or “renewable energy certificate”.
- d. As a condition of participating in the New Jersey customer-sited REC program, I certify that the environmental and renewable energy attributes as represented by each REC, which include the air, water, land, labor, emission allowances, emission reduction offsets or benefits, of the electric power are not also being claimed, delivered, sold and/or transferred to any other entity, in whole or in part.

I attest that the statements above are true and correct.
