Energy Management Assessment Matrix

The EPA's Energy Management Assessment Matrix is designed to assist building owners with their efforts to establish and implement a comprehensive energy management program. Participants are encouraged to compare their practices with the EPA Guidelines for Energy Management, available at:

http://www.energystar.gov/index.cfm?c=tools_resources.bus_energy_management_tools_resources

ACKNOWLEDGEMENT

PARTICIPANT'S SIGNATURE

By signing, I agree to demonstrate an on-going commitment to energy efficiency by participating in the EPA Building Performance with ENERGY STAR initiative. If applying for the Pay for Performance incentive, my participating partner will submit a completed EPA Energy Management Assessment Matrix as part of the energy reduction plan as well as an updated matrix as part of the post-construction benchmarking report.
