Address	City	State	Zip

**Confirm that all required documentation has been submitted to the Pay for Performance Case Manager:**

If the documents outlined below have not been approved by the Case Manager please submit them along with an unsigned copy of this form for review.

- Yes, the Energy Reduction Plan and associated simulation files are complete and have been approved by the Case Manager.
- Yes, the Partner-Participant Contracts are complete and have been approved by the Case Manager.
- Yes, an Installation Agreement has been executed between the Partner and Participant and has been attached to this form.

By signing below and submitting this request, the Participant and Pay for Performance Partner confirm that the Project Participant has reviewed the Energy Reduction Plan, satisfied their obligations under New Jersey's Clean Energy Pay for Performance Program, and agreed to the terms necessary for release of this payment. Please note that according to the terms of the Installation Agreement, Incentive #1 shall be repaid if the project is not built per the Energy Reduction Plan.
