¹ Registration status codes are as follows:

1. Reg Received - An initial registration package has been received by the Program Manager.
2. Reg Complete - An initial registration package has been determined to be complete.
3. Reg Accepted - An initial registration package has been determined to comply with all program requirements, and an acceptance letter has been mailed to the registrant.
4. Final Reg Received - A final registration package has been received by the Program Manager.
5. Final Reg Complete - A final registration package has been determined to be complete.
6. Final Reg Accepted - A final registration package has been determined to comply with all program requirements, and an NJCEP inspection of the system can be scheduled.
7. Passed Inspection - A proposed system has passed its NJCEP inspection.
8. Submitted to SREC Admin - System data has been submitted to the SREC Administrator to enable creation of an SREC account.
9. Denied - A registration that is denied by the Program Manager for any reason.
10. Expired - A registration that has expired (for example, the registrant has not completed construction with the 9 or 12 month period allowed).
11. Withdrawn - A registration that is voluntarily withdrawn by the registrant.
12. Hold - A registration on hold by the Program Manager pending clarification of program requirements.

² Submitted capacity shows the proposed capacity as stated on the original registration form.

³ Revised capacity shows the proposed capacity considering any revisions made to the original registration. Revisions are proposed by the registrant and can reflect changes in project design due to program-related constraints (i.e., entity caps), or other constraints.
