¹ **Withdrawn** includes only accepted projects that were withdrawn by the registrant. The status codes appearing in the detailed table below also include projects withdrawn by the registrant prior to their acceptance in the program.

² **Expired** includes only accepted projects that expired prior to their completion deadline.

³ **SREC Enrolled** includes accepted projects that have completed initial and final registration, passed final inspection and have been referred to the SREC program administrator for SREC account creation.

⁴ **Final Reg Received** includes only accepted projects that have submitted final paperwork but have not yet been enrolled in the SREC program. These indicate projects that will likely move to SREC Enrolled status within the next quarter.

⁶ **MW** displayed are derived from the "Submitted kWdc" column. MW for Accepted Projects are derived from the "revised kWdc" column.

¹ Registration status codes are as follows:

1. Reg Received - An initial registration package has been received by the Program Manager.
2. Reg Complete - An initial registration package has been determined to be complete.
3. Reg Accepted - An initial registration package has been determined to comply with all program requirements, and an acceptance letter has been mailed to the registrant.
4. Final Reg Received - A final registration package has been received by the Program Manager.
5. Final Reg Complete - A final registration package has been determined to be complete.
6. Final Reg Accepted - A final registration package has been determined to comply with all program requirements, and an NJCEP inspection of the system can be scheduled.
7. Passed Inspection - A proposed system has passed its NJCEP inspection.
8. Submitted to SREC Admin - System data has been submitted to the SREC Administrator to enable creation of an SREC account.
9. Denied - A registration that is denied by the Program Manager for any reason.
10. Expired - A registration that has expired (for example, the registrant has not completed construction with the 9 or 12 month period allowed).
11. Withdrawn - A registration that is voluntarily withdrawn by the registrant.
12. Hold - A registration on hold by the Program Manager pending clarification of program requirements.

² Submitted capacity shows the proposed capacity as stated on the original registration form.

³ Revised capacity shows the proposed capacity considering any revisions made to the original registration. Revisions are proposed by the registrant and can reflect changes in project design due to program-related constraints (i.e., entity caps), or other constraints.
