RE & ST List Members:

At the December 11th RE Committee meeting, Staff issued a request for comments or topics to pursue related to the Solar Act's subsection d. (3) b. which requires the Board to complete a proceeding to investigate approaches to mitigating solar development volatility within 24 months of the date the law's enactment.

Our next RE Committee meeting is scheduled for MONDAY January 7th. Find attached the agenda items suggested by SEIA.

Happy Holidays!
