

2011 COOLAdvantage Program

Rebate Application Instructions, Terms and Conditions

For Customers of Atlantic City Electric, Jersey Central Power & Light,
Public Service Electric & Gas, Rockland Electric

For Systems Purchased on or after February 15, 2011

Instructions: Please read the program instructions, terms and conditions before completing the form on the other page.

A. CUSTOMERS — TO QUALIFY FOR YOUR REBATE, YOU MUST

1. Purchase, install and operate a high-efficiency electric central air conditioner, heat pump or ductless mini-split unit in a residence that is currently supplied with electricity directly from Atlantic City Electric, Jersey Central Power & Light, Public Service Electric & Gas or Rockland Electric Company.
2. Replace and/or retrofit an installation in an existing New Jersey home.
3. The efficiency levels are based on the Air-conditioning, Heating, Refrigeration Institute (AHRI) certified performance criteria of a condenser and indoor coil working together. These ratings are found on the www.AHRIdirectory.org website. All ENERGY STAR® qualified equipment must be listed at www.energystar.gov in order to participate in this program. **Both the condenser and coil must be replaced and installed as a matched set.**
4. To qualify for a central air conditioner or heat pump rebate, the installing HVAC contractor must do the following:
 - 1) Size the high-efficiency equipment within 15% or a half ton of the calculated cooling load “Manual J calculation” or equivalent and
 - 2) Meet “Manual S” system selection criteria. This is not required for ductless mini-split units.
5. Abide by the rules and rebate levels in effect at the date of purchase.
6. **Postmark the application within 120 days of purchase date.**

Equipment Type	Minimum Efficiency Criteria for units purchased on or after April 1, 2010	Sizing and Selection	Incentive
Central Air Conditioning, Heat Pump or Ductless Mini-Split A/C System or Heat Pump+	Compressor and coil combination that yield >= SEER* 16 and EER 13 and (in the case of heat pumps) HSPF 8.5	ACCA Manual J and Manual S outputs are required showing that the installed system is sized within 15% variance of requirement and correctly selected for the dwelling.	\$500

ENERGY STAR qualified products must be listed at www.energystar.gov.

+ ACCA Manual J and Manual S outputs are not required for ductless mini-split systems.

*SEER (Seasonal Energy Efficiency Ratio) EER (Energy Efficiency Ratio) HSPF (Heating Seasonal Performance Factor) – for heat pumps only

B. INSTRUCTIONS FOR COMPLETING THE REBATE FORM As the customer, you are responsible to see that all requirements are met.

Section A & B of this form:	Customer to complete
Section C of this form:	Contractor to complete
Section D of this form:	Contractor to assist customer in completing
Manual J cooling load calculation worksheet:	Submit with application, provided by contractor
Manual S cooling load calculation:	Submit with application, provided by contractor
Copy of itemized sales receipt showing proof of purchase (marked PAID if proposal)	Customer to provide with application
Copy of UPC Code including model and serial numbers	Customer requested to provide with application
Copy of AHRI certificate rating sheet (showing SEER, EER, HSPF, BTUs)	Submit with application, provided by contractor

1. Keep copies of all above required documents. If contractor is submitting the rebate documents for you, we suggest you request a set of copies to be mailed to you simultaneously.
2. If you are applying for more than one rebate, separate rebate forms are to be completed for each individual unit.
3. Mail a copy of this form along with the above mentioned documents to the address below:

New Jersey's Clean Energy Program™
COOLAdvantage Program
 c/o Honeywell • 145 Route 46 West • Wayne, NJ 07470
 Phone: 866-NJSMART

C. IMPORTANT TERMS AND CONDITIONS

1. This program is based on availability of funds. Procedures, requirements and rebate levels are subject to change and the program is subject to cancellation without notice.
2. It is the responsibility of the customer to assure that all requirements for the rebate are met and that all required documentation is provided.
3. Failure to provide any of the required information will prevent processing of your application.
4. Rebate eligibility will be based on the equipment purchase date.
5. Incentives are available for the installation of qualified HVAC equipment in all existing residential buildings (retrofit).
6. Installations of equipment in new homes are not eligible for incentives.
7. Please allow up to 120 days from the date *New Jersey's Clean Energy Program* receives **all required information** to process your rebate.
8. To expedite the processing of your application, please provide an AHRI reference number and or attach a copy of the AHRI spec sheet for the installed matched system.
9. If the customer portion of the rebate is to be assigned to another party, the customer must authorize this by completing and signing section B of the application form.
10. *New Jersey's Clean Energy Program* reserves the right to inspect all installations in order to ensure compliance with all program requirements.
11. *New Jersey's Clean Energy Program* provides no oversight or control over any contractor services related to this program. Responsibility for proper sizing of equipment, as well as delivery and workmanship related to any equipment or services the customer procures, rests exclusively with the contractor selected by the customer. *New Jersey's Clean Energy Program* assumes no responsibility for oversight of contractor services.
12. *New Jersey's Clean Energy Program* audits its rebate programs as a protection against consumer and/or contractor fraud. Any attempt to defraud *New Jersey's Clean Energy Program* will result in automatic rejection of the rebate application and possible legal action.
13. Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
14. Customers participating in other programs within *New Jersey's Clean Energy Programs* or New Jersey Weatherization Assistance Programs may not be eligible for rebates.

You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate and any Federal tax credits available.
