

# WARMAvantage Program

## Rebate Application Instructions, Terms and Conditions For Systems Purchased on or after July 1, 2018 through June 30, 2019

An online application is available at [NJCleanEnergy.com/WARM](http://NJCleanEnergy.com/WARM)

Please read the program instructions, terms and conditions before completing the form on the other page.

### A. CUSTOMERS – TO QUALIFY FOR YOUR REBATE, YOU MUST

- Select a contractor that agrees to follow all of the requirements as listed below
- Purchase, install and operate high-efficiency equipment as outlined in the table below. Abide by the rules and rebate levels in effect at the date of purchase.
- Replace and/or retrofit an installation in an existing New Jersey home which is supplied with oil, propane, natural gas, IOU electric or municipal or co-op electric.
- The efficiency levels are based on the ratings found at the AHRI directory ([AHRIdirectory.org](http://AHRIdirectory.org)) or the ENERGY STAR® listing ([EnergyStar.gov](http://EnergyStar.gov)).
- To qualify for a furnace or boiler rebate, the installing HVAC contractor must do the following:
  - Size the high-efficiency equipment in accordance with ACCA Manual S based on loads calculated in accordance with ACCA Manual J and
  - Submit the calculated heating/cooling loads report with the application.
- All units must be purchased by June 30, 2019; however all applications must be postmarked within 180 days of the purchase date to be eligible.** Please see below “C. Important Terms and Conditions” items 1 and 2 for funding availability.

Equipment Type		Minimum Efficiency Criteria		Total Rebate
Furnace	Natural Gas/ Propane	Tier 1	AFUE* 95% or greater	\$250
		Tier 2	AFUE 97% or greater	\$500
	Oil		AFUE 85% or greater	\$250
Boiler	Natural Gas/ Propane	Hydronic	AFUE 90% or greater	\$300
	Oil		AFUE 87% or greater	
Water Heater	Natural Gas/ Propane	Tankless-On-Demand	<2 gallons & Uniform Energy Factor – UEF 0.81, or greater	\$300
	Natural Gas/ Propane	Tank, Power-vented	≤55 gallons & Uniform Energy Factor – UEF 0.64, or greater <b>or</b> >55 gallons & Uniform Energy Factor – UEF 0.85, or greater	
	Electric	Heat Pump	Uniform Energy Factor – UEF 2.0, or greater	\$500
Furnace & Water Heater Combination** (use one form)			Qualifying Tier 1 natural gas/propane furnace (above) <b>AND</b> a qualifying water heater (above)	\$700
			Qualifying Tier 2 natural gas/propane furnace (above) <b>AND</b> a qualifying water heater (above)	\$950
Boiler & Water Heater Combination** (use one form)			<ul style="list-style-type: none"> <li>Combi Boiler—an Integrated unit, combining a water heater and a qualifying boiler (above)</li> <li>Qualifying stand-alone water heater (above) <b>AND</b> a qualifying boiler (above)</li> <li>Indirect water heater attached to a qualifying boiler (above)</li> </ul>	\$700

\*AFUE (Annual Fuel Utilization Efficiency) \*\*To be eligible for the combination rebate, applications for both, the heating system and the water heater must be submitted at the same time. If applications are submitted separately, they will be processed as separate applications and the customer will only be eligible for the individual incentive available for each of the measures.

### B. INSTRUCTIONS FOR COMPLETING THE REBATE FORM As the customer, you are responsible to see that all requirements are met.

Section A & B of this form	Customer to complete and sign
Section C of this form	Contractor to complete and sign
Section D of this form	Contractor to complete
<b>REQUIRED:</b> Submittal of <b>Manual J</b> heating load calculation report and equipment selected following <b>Manual S</b> sizing criteria	Submit with application, completed by contractor
<b>REQUIRED:</b> Copy of itemized <b>sales receipt or contractor's invoice</b> —marked PAID or FINANCING ARRANGEMENTS—and <b>clearly indicating: 1) Customer Name &amp; Installation Address, 2) Date of Purchase, 3) Manufacturer, 4) Model Number, 5) Total Cost</b>	Submit with application
<b>REQUIRED:</b> Copy of <b>UPC Label</b> , distributor's invoice, photo of nameplate, or warranty registration confirmation showing model and serial numbers	Submit with application
<b>REQUIRED:</b> Copy of <b>AHRI Certificate</b> rating sheet, showing AFUE and BTUH, or UEF. If unavailable, a copy of the ENERGY STAR listing is acceptable.	<b>Submit with application, found at <a href="http://AHRIdirectory.org">AHRIdirectory.org</a></b>
<b>REQUIRED:</b> <b>Municipal Building Permit</b> number entered on application and/or a copy of the Permit or Permit Application	Submit with application

- Your contractor must submit the rebate documents for you, we suggest you request a set of copies to be mailed to you. Mail a copy of the signed application along with the receipt to the address below:

New Jersey's Clean Energy Program™ • WARMAvantage • 75 Lincoln Highway Suite 100 • Iselin, New Jersey 08830-1533

### C. IMPORTANT TERMS AND CONDITIONS

- This program is based on availability of funds. Procedures, requirements and rebate levels are subject to change and the program is subject to cancellation without notice.
- Funding for oil, propane, or municipal electric customers are provided through the United States Department of Energy State Energy Program (SEP).
- Due to the limited availability of funds, the program will terminate at the earlier of when **funds are exhausted or June 30, 2019**. Program termination will be posted on [NJCleanEnergy.com](http://NJCleanEnergy.com).
- It is the responsibility of the customer to assure that all requirements for the rebate are met and that all required documentation is provided by your contractor.
- Failure to provide any of the required information will prevent processing of your application.
- Rebate eligibility will be based on the equipment purchase date.
- Incentives are available for the installation (retrofit) of qualified HVAC equipment in existing residential buildings; newly constructed home are not eligible.
- Please allow up to 120 days from the date New Jersey's Clean Energy Program (NJCEP) receives **all required information** to process your rebate.
- If the customer portion of the rebate is to be assigned to another party, the customer must authorize this by completing and signing section B of the application form.
- NJCEP reserves the right to inspect all installations in order to ensure compliance with all program requirements.
- NJCEP provides no oversight or control over any contractor services related to this program. Responsibility for proper sizing of equipment, as well as delivery and workmanship related to any equipment or services the customer procures, rests exclusively with the contractor selected by the customer. NJCEP assumes no responsibility for oversight of contractor services.
- NJCEP audits its rebate programs as a protection against consumer and/or contractor fraud. Any attempt to defraud NJCEP will result in automatic rejection of the rebate application and possible legal action.
- Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
- Customers participating in other programs within NJCEP or New Jersey Weatherization Assistance Programs may not be eligible for rebates.

# WARM Advantage Program Rebate Application

For Systems Purchased on or after July 1, 2018 through June 30, 2019

An online application is available at [NJCleanEnergy.com/WARM](http://NJCleanEnergy.com/WARM)

Before completing this form, please refer to the program instructions, terms and conditions accompanying this form.

**WARM Advantage incentives are available for the installation (retrofit) of qualified HVAC equipment in existing residential buildings only;** installations of equipment in new homes are not eligible for WARM Advantage incentives.

Reason for installing new equipment:  Conversion from oil  Conversion from electric  Conversion from propane  
 Replaced old equipment  Home Addition

I have read, understand and am in compliance with all rules and regulations concerning this rebate program, including the instructions, terms and conditions provided on the cover page of this application form. I give NJCEP permission to share my records with the New Jersey Board of Public Utilities or its contractors, who plan to evaluate my energy usage. Additionally, I allow reasonable access to my property to inspect the installation and performance of the technologies and installations that are eligible for incentives under the guidelines of NJCEP. I certify that old equipment has been replaced and the replaced equipment has been recycled according to the laws of the state of New Jersey.

I have been made aware of the concerns and potential dangers should I replace gas heating equipment (e.g., furnace or boiler) without replacing a water heater that is either direct vented or power-vented as per information provided by New Jersey's Clean Energy Program at [NJCleanEnergy.com/SAFETY](http://NJCleanEnergy.com/SAFETY). I certify that all information provided in and with this document is correct to the best of my knowledge. I am aware that if any information is willfully false, I am subject to punishment.
