

The Home Performance with ENERGY STAR® Program will be offering enhanced incentives beginning January 1, 2012. The maximum incentive level will increase up to \$5,000, plus customers will have the opportunity to apply for 0% interest loans for any projects achieving total energy savings from 10% to over 25%.

[Current program incentives](#) are still available. For more information call us at 866-NJSMART (866-657-6278).

Thank you.
