Builder Requirements

1. Builder must register using this form to participate in the New Jersey ENERGY STAR® Homes Program ("program").
2. Builder must be registered as an ENERGY STAR Partner by completing an EPA ENERGY STAR Online Partnership Agreement (available at www.energystar.gov/index.cfm?c=bldrs_lenders_raters.nh_join and select "Builders").
3. Builder must complete program orientation prior to submitting homes for enrollment in the program.
4. Builder agrees to comply with and accurately represent all program requirements and benefits. Use of program name and logos require prior authorization by the program.
5. For all homes participating in the program, Builder agrees to allow Quality Assurance inspection by the program and authorizes their Rating Company to provide REM/Rate™ electronic file(s) and supporting documentation upon request to the program.

Builder must acknowledge and agree to the following Terms and Conditions in order to participate in this Program:

I agree to comply with all program requirements. Program reserves the right to adjust or rescind the builder's participation status based upon compliance.

I authorize the Rating Company named above to submit site registrations for new unit enrollments and incentive applications for completed units, including all required documentation, on my behalf.

I acknowledge that offers of financial support associated with this program shall apply only to units that comply with all program requirements and complete final certification within one (1) year of the date the project is signed in to the program. I understand that the New Jersey Board of Public Utilities (NJBPU) reserves the right to withdraw or modify this program and terminate this agreement at any time, and that such changes may occur, for example, in response to updated federal minimum energy efficiency standards, updates to New Jersey energy or construction codes, or updates to the EPA ENERGY STAR Homes Program or Home Energy Rating System (HERS) standards.

I understand that all promotional activities, including press releases, media events, advertisements, and on-site promotions that make reference to New Jersey ENERGY STAR Homes, must first be reviewed and approved by the NJBPU or its authorized representative.(this is true for co-op, but is it really reality outside co-op?)

I also understand that participants in New Jersey ENERGY STAR Homes **are not** eligible for independent participation in NJBPU Residential HVAC Rebate programs and that no party shall apply for, seek, or be entitled to any such additional rebates.

THE NJBPU MAKES NO GUARANTEE OR WARRANTY OF ANY KIND, WHETHER EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, THAT ANY PARTICULAR LEVEL OF ENERGY EFFICIENCY OR ENERGY CONSERVATION WILL BE ACHIEVED AS A RESULT OF THE INCORPORATION OF ANY DELINEATED MATERIALS, TECHNIQUES OR EQUIPMENT IN THE CONSTRUCTION OF A PARTICIPATING STRUCTURE. THE NJBPU SHALL HAVE NO LIABILITY TO A BUILDER, HOMEOWNER, OR ANY THIRD PARTY WITH RESPECT TO ANY DELINEATED MATERIALS, TECHNIQUES, OR EQUIPMENT ITEMS. BY AGREEING WITH THE AFOREMENTIONED PROGRAM CONDITIONS, THE PARTY(IES) EXECUTING THIS DOCUMENT HOLD(S) THE NJBPU AND ITS AGENTS AND THEIR SUBCONTRACTORS HARMLESS FROM ANY LIABILITY WHATSOEVER.

By signing below, I acknowledge I have read and agree to the Terms & Conditions stated above.
