

New Jersey's Clean Energy Program™

PROGRAM GUIDELINES

- Applicant must be a customer of one of the following electric utilities: Atlantic City Electric, Jersey Central Power & Light, PSE&G, Rockland Electric Company.
- All rebated products must be listed by the EPA as ENERGY STAR® qualified on NJCleanEnergy.com/roomac.
- Valid for ENERGY STAR qualified room air conditioners purchased from May 14, 2009 through August 31, 2009.
- Completed rebate requests must be postmarked no later than September 30, 2009.
- Rebate request must be accompanied by proof of purchase. (Legible copy of a dated and itemized sales receipt. Purchased item must be listed on sales receipt.)
- Rebate request must include manufacturer, ENERGY STAR model number, serial number, store name, purchase date and purchase price.
- Limit two rebates per utility customer for purchases under this program.
- Unit must be installed in New Jersey.
- Offer limited to new products only.
- Rebates are subject to available funds.
- Customers of municipal electric utilities do not qualify for a rebate.

The ENERGY STAR Room Air Conditioner Rebate is one of many offerings from *New Jersey's Clean Energy Program*. To learn more about other energy saving programs and incentives, please visit:

\$20 Rebate on ENERGY STAR® Qualified Room Air Conditioners

Save Money, Reduce Energy,
Protect the Environment!

Your Power to Save

njcleanenergy.com

New Jersey Board of Public Utilities

1-866-NJSMART

Purchase an ENERGY STAR® Qualified Room Air Conditioner and Receive a \$20 Rebate*!

**YOU can Save Money, Reduce Energy Use
and Protect the Environment by Purchasing
an ENERGY STAR Room Air Conditioner**

ENERGY STAR qualified room air conditioners are 10% more efficient than conventional ones. With high-efficiency compressors and fan motors to cool your world, ENERGY STAR qualified room air conditioners use less energy and could save you up to \$20 a year on your electric bill.

Buy BETTER not BIGGER! Properly sized room air conditioners are more efficient in removing humidity from the air and reducing energy use. To determine the right size cooling unit for your use, try the Sizing Calculator at www.NJCleanEnergy.com/roomac.

**Take the next step and call 1-866-NJSMART
to schedule a Home Performance with
ENERGY STAR Assessment for your home to help
identify other ways you can save energy.**

* Rebate applies only to window/wall units that carry the ENERGY STAR label.
Limit one \$20 rebate per unit.
Limit of two rebates per customer per year.
See Program Guidelines on back for additional requirements.
