

Host an ENERGY-SAVING LIGHTING FAIR!

Help employees save energy and money. Improve your sustainability profile.

ABOUT LED LIGHTING FAIRS

- An employee event featuring energy-efficient home products
- It's a fun way to give back to your employees
- It compliments your sustainability programs
- Purchase LEDs and energy products at deep discounts
- Sponsored by New Jersey's Clean Energy Program

HOW DO I GET STARTED?

- Pick a date to host an event
- Choose an area at your facility to host the booth
- Let TechniArt staff the event, sell energy-efficient products, and answer questions about home energy use. Easy!
