C. IMPORTANT TERMS AND CONDITIONS

1. Funding for this rebate program is provided through the American Recovery and Reinvestment Act (ARRA). Due to the federal source of funds, applicants will be subject to special ARRA terms and conditions as described in this document.
2. Due to the limited availability of funds, the program will terminate at the earlier of when **funds are exhausted or June 30, 2011**. Program termination will be posted on NJCleanEnergy.com
3. Applications or supporting documentation received after the program termination date will not be honored.
4. Failure to provide any of the required information will prevent processing of the application.
5. Program procedures, requirements, and rebate levels are subject to change or cancellation without notice.
6. The system must be installed in accordance with the manufacturer requirements.
7. Installations must be completed in accordance with all laws, codes, and other requirements applicable under federal, state, and local authority.
8. It is the responsibility of the customer to assure that all requirements for the rebate are met and that all required documentation is provided.
9. If the customer portion of the rebate is to be assigned to another party, the customer must authorize this by completing and signing section B of the application form.
10. Please allow up to 120 days from the date *New Jersey's Clean Energy Program* receives **all required information** to process your rebate.
11. Each customer is eligible for and will receive a rebate for only one unit.
12. *New Jersey's Clean Energy Program* reserves the right to inspect all installations in order to ensure compliance with all program requirements.
13. Incentives are available for the installation (replacement) of qualified equipment in an existing New Jersey home.
14. Installations of equipment in new homes are not eligible for incentives.
15. *New Jersey's Clean Energy Program* provides no oversight or control over any contractor services related to this program. Responsibility for proper sizing, installation, as well as delivery and workmanship related to any equipment or services the customer procures, rests exclusively with the contractor selected by the customer. *New Jersey's Clean Energy Program* assumes no responsibility for oversight of contractor services.
16. *New Jersey's Clean Energy Program* audits its rebate programs as a protection against consumer and/or contractor fraud. Any attempt to defraud *New Jersey's Clean Energy Program* will result in automatic rejection of the rebate application and possible legal action.
17. Customers participating in other programs within *New Jersey's Clean Energy Program* or New Jersey Weatherization Assistance Programs may not be eligible for rebates.
18. You are urged to seek appropriate consultation concerning both tax liabilities that might be associated with the receipt of the rebate and any federal tax credits available.

For more information about *New Jersey's Clean Energy Program*, or for assistance in completing an application, please call 866-NJSMART.
