I have read, understood and am in compliance with all rules and regulations concerning this rebate program. I certify that all information provided is correct to the best of my knowledge, and I give NJCEP permission to share my records with the U.S. Department of Energy and the New Jersey Board of Public Utilities or its contractors, who plan to evaluate my energy usage. Additionally, I allow reasonable access to my property to inspect the installation and performance of the technologies and installations that are eligible for incentives under the guidelines of NJCEP. I certify that old equipment has been replaced and the replaced equipment has been recycled according to the laws of the state of New Jersey.

I have been made aware of the concerns and potential dangers should I replace gas heating equipment (e.g., furnace or boiler) without replacing a water heater that is either direct vented or power-vented as per information provided by *New Jersey's Clean Energy Program* at [NJCleanEnergy.com/SAFETY](http://NJCleanEnergy.com/SAFETY).
