C. IMPORTANT TERMS AND CONDITIONS

1. If the customer portion of the rebate is to be assigned to another party, the customer must authorize this by completing and signing section B of the application form.
2. It is the responsibility of the customer to assure that all requirements for the rebate are met and that all required documentation is provided.
3. Rebate payments will be based on the equipment purchase date.
4. Failure to provide any of the required information will prevent processing of your application.
5. Please allow up to 120 days from the date New Jersey's Clean Energy Program receives **all required information** to process your rebate.
6. *New Jersey's Clean Energy Program* reserves the right to inspect all installations in order to ensure compliance with all program requirements.
7. Builders of new homes are not eligible for either participation or incentives in the WARMAdvantage program and are encouraged to participate in the New Jersey ENERGY STAR Homes program.
8. Program procedures, requirements and rebate levels are subject to change or cancellation without notice.
9. *New Jersey's Clean Energy Program* provides no oversight or control over any contractor services related to this program. Responsibility for proper installation, as well as delivery and workmanship related to any equipment or services the customer procures, rests exclusively with the contractor selected by the customer. *New Jersey's Clean Energy Program* assumes no responsibility for oversight of contractor services.
10. One rebate check will be issued to the customer applying for each approved and completed application.
11. *New Jersey's Clean Energy Program* audits its rebate programs as a protection against consumer and/or contractor fraud. Any attempt to defraud *New Jersey's Clean Energy Program* will result in automatic rejection of the rebate application and possible legal action.
12. Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state, and local authority.
13. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
14. Customers participating in other *New Jersey's Clean Energy Programs* or New Jersey Weatherization Assistance Programs may not be eligible for rebates.
15. Rebates for installations in newly constructed homes are restricted to homes in **Smart Growth** areas only, defined as Planning Area 1 & 2 plus the designated centers, utilizing the policy map of the New Jersey State Development and Redevelopment Plan. You can verify your **Smart Growth** eligibility by accessing the website at: <http://sgl.state.nj.us/hmfa/viewer.htm>
