

**\*\* IMPORTANT: Funding available for oil, propane and municipal electric customers\*\***

Effective October 1, 2011, funding will be available for oil, propane and municipal electric customers who wish to participate in the [Home Performance with ENERGY STAR](#) (HPwES) Program and [WARMAdvantage](#) and [COOLAdvantage](#) Programs. The funding will be available until June 30, 2012 or until the funds are fully exhausted, whichever comes first. Please follow the steps on how to participate on each of the program's web pages.

Note: Under HPwES Program, the final project completion paperwork needs to be submitted to the program by 5 pm on June 30, 2012.

Note: For the *WARMAdvantage* and *COOLAdvantage* Programs, all units must be purchased by June 15, 2012. Applications must be postmarked within 60 days of purchase date; however all applications must be postmarked by June 30, 2012 to be eligible.
