

## STAKEHOLDER MEETING SREC REGISTRATION PROGRAM (SRP) REPORTING

Applied Energy Group (AEG), in its role as the SRP administrator, recognizes the importance of providing accurate and timely information regarding SREC Registration Program activity. As discussed at recent Renewable Energy Committee meetings, AEG has scheduled a meeting to seek input regarding future solar reports. The goal of the meeting is to have an open discussion on the current reporting structure and to receive input from the solar industry on the data that would be most useful to include in the future reports.

Details regarding the time and location of the meeting follow. We look forward to your participation in this meeting and input regarding this important topic.
