Effective July 1, 2007, P.L. 2007, c. 101 established a tax clearance program for awards of certain business assistance and incentive programs, including but not limited to a grant, loan, loan guarantee, or other monetary or financial benefit issued by the State and its independent agencies and authorities to assist in the conduct or operation of a business, occupation, trade, or profession in the State. As a precondition to or as a component of the application process, the applicant must provide to the State agency a current tax clearance certificate issued by the Director of the Division of Taxation.

This application form is intended to provide the Division of Taxation with the necessary information to conduct its research and determine if the applicant is compliant with New Jersey tax laws such that a tax clearance certificate may be issued. If the Director determines that the applicant has not filed all required tax returns and has not paid all tax, penalties, interest, or fees due, the Director shall issue a notice to the applicant of the particulars to be resolved before a tax clearance certificate may be issued.

Questions about the tax clearance process may be directed to: (609) 292-6400.
Questions about the award process should be directed to the issuing State Agency noted on page 1.
