

## ***New Jersey's Clean Energy Program™*** **Rebates and Promotions**

Starting April 1, New Jersey residents will be eligible to receive rebates ranging from \$25 to \$100 on the purchase of ENERGY STAR® qualified clothes washers, dishwashers and refrigerators. These rebates are a result of the federal stimulus funding through the American Recovery and Reinvestment Act.

[Many retailers](#) will provide an instant rebate at the time of purchase, while others will require a mail-in rebate form.

---

### **New Rebate Programs**

#### **ENERGY STAR Dishwashers**

There are two rebates available on ENERGY STAR dishwashers. It is important that you check the product list for [qualifying models](#) before your purchase.

- \$25 for dishwashers that use 5.8 gallons of water or less per cycle and use less than 324 kWh per year.
- \$50 for dishwashers that use 5.0 gallons of water or less per cycle and use less than 307 kWh per year. Compact dishwashers are not eligible.

#### **ENERGY STAR Clothes Washers**

Energy efficient clothes washers help you save both energy and water at home.

- A [\\$35 rebate is available](#) for clothes washers with a modified energy factor (MEF) of 1.8 to 2.19 and Water Factor  $\leq 7.5$ .
- There is also a year-round [rebate available](#) from New Jersey's Clean Energy Program for ENERGY STAR units with a MEF of 2.2 or higher.

#### **ENERGY STAR Refrigerators**

There are two rebates available on ENERGY STAR refrigerators which are 7.75 cubic feet or greater in volume. It is important that you check the product list for [qualifying models](#) before your purchase.

- \$75 for refrigerators that are 20% better than the federal standard
- \$100 for refrigerators that are 25% better than the federal standard
- [\\$50 rebate is offered](#) through New Jersey's Clean Energy Program to residents who recycle their old, working refrigerators or freezers

The above rebates are valid for select [ENERGY STAR qualified appliances](#) purchased between April 1, 2010 and April 30, 2010 or while funds last.

## Other Rebate News

- A seasonal rebate for ENERGY STAR room air conditioner units will launch May 14, 2010 and end August 31, 2010.
- There are new enhanced rebates available for [central air conditioners](#) - up to \$600!
- [Dehumidifiers](#) with the ENERGY STAR label are also eligible for a \$25 rebate.

From [cooling and heating equipment rebates to in-home energy assessments](#), from information on **ENERGY STAR** qualified products to [Energy Saving Tips](#) for saving energy and money, New Jersey's Clean Energy Program gives residents the Power to Save.

**All rebates are subject to change at any time.**
