Subject: Biopower Working Group and Energy Storage Working Group Meetings Tuesday, July 23, 2013

The Biopower Working Group and the Energy Storage Working Group will both hold meetings on **Tuesday, July 23, 2013** in the 1st Floor Hearing Room of the NJ Department of Environmental Protection building at 401 E. State St. in Trenton. The Biopower meeting is scheduled for 10:00 am to 12:00 pm and the Energy Storage meeting is scheduled for 1:00 pm to 3:00 pm.

Driving directions to the DEP building and parking information may be found at: <http://www.nj.gov/dep/where.htm>. The building is also accessible to mass transit: From the Trenton Transit Center, walk two blocks north on S. Clinton Ave., turn left at the corner of E. State St and proceed to the building's front entrance.

The working group meetings are designed to provide stakeholder input into the development of competitive solicitations for the FY2014 biopower and energy storage incentive programs. A preliminary agenda for each meeting is as follows:

Biopower Working Group Meeting

- Introduction and purpose of the Working Group

- FY2014 Compliance Filing and current biopower project status
- Presentation: Updating the 2007 Rutgers Eco-Complex study on biopower potential
- Presentation: Biopower opportunities in the wastewater Industry (tentative)
- Facilitated discussion forum:
 - Eligible technologies
 - Incentive structure and Caps
 - Solicitation structure, timing and frequency
 - Application criteria and process

Energy Storage Working Group Meeting

- Introduction and purpose of the Working Group
- Schedule and process
- Review of:
 - FY2014 Compliance Filing
 - Navigant Study on market potential assessment
 - Energy Storage Technology Advancement Partnership (ESTAP) summary presentation
- Facilitated discussion forum:
 - Eligible technologies
 - Incentive structure and Caps
 - Solicitation structure, timing and frequency
 - Application criteria and process

A detailed agenda will be sent to this listserv prior to the meeting, along with any other documents that may be discussed.

If you can't attend in person, you may participate by phone. The call-in number is **1-866-740-1260** and the participant code is **2183408#**.

The above meeting date and times are posted on the New Jersey Clean Energy Program website at the web pages noted below. All future meeting dates will be posted here in addition to being announced via the various distribution lists. We apologize in advance for any duplicate emails due to memberships in multiple groups.
