

CRA Energy Efficiency Programs Transition

The New Jersey Utilities have implemented a portfolio of demand side management programs since 1982 approved under various Board Orders. These programs either 1) map directly as a new CRA program approved in the Board's CRA Order, 2) continue as activities under approved new programs, or 3) represent legacy program commitments with continuing costs not related to the new programs. A legacy program is a former core program that is closed to new participation, but which continues to incur costs due to continued servicing of customer accounts. These costs are recoverable through the SBC but are not part of the CRA funding for new programs. The recording of costs for approved new programs will begin with full implementation by May 9, 2001.

Programs under each company's plan prior to the approval of the CRA programs will continue to be open to new participation until the close of business on May 8, 2001. For those programs that are being discontinued, the program will cease to be offered at the close of business on May 8, 2001. Customers who have applied for program services and who have not been served will be accommodated after May 8.

The Customer Sited Renewable Energy Program will begin on April 9, 2001 and the new statewide energy efficiency programs will start on May 9, 2001.

The following tables, one for each company, show the mapping and status of the existing programs to the new approved programs.

**CRA Energy Efficiency Programs Transition
Conectiv Power Delivery**

Type	Previous Program Name	Status Post May 8, 2001
Core	Residential High Efficiency HVAC Equipment	Replaced by Statewide Residential Electric HVAC Program
Core	Residential New Construction (Energy Star Homes)	Replaced by Statewide Residential New Construction Program
Core	Residential Low Income (Comfort Connections)	Replaced by Statewide Residential Low-Income Program
Core	Residential Home Energy Savings (HESP)	Replaced by Statewide Residential Retrofit Program
Core	Student Energy Efficiency Education	Discontinued
Core	Customer Energy Efficient Information	Discontinued
Core	Residential Zero/Low Interest	Legacy (being phased out)
Core	Residential HVAC Preferred Contractors	Discontinued
Core	Direct Load Management (Peak Savers)	Replaced by Residential Air Conditioning Cycling Load Control Program
Core	C/I Energy Efficient Construction	Replaced by Statewide C/I Energy Efficient Construction Program
Core	C/I Packaged HVAC (Cool Choice)	Incorporated in Statewide C/I Energy Efficient Construction Program
Core	C/I Premium Motors	Incorporated in Statewide C/I Energy Efficient Construction Programs
Core	Commercial & Apartment Conservation Service (CACS)	Discontinued
Core	Schools and Institutions O&M	Replaced by C/I Building Operation & Maintenance Program
Core	Research and Development	Discontinued

**CRA Energy Efficiency Programs Transition
GPU Energy**

Type	Previous Program Name	Status Post May 8, 2001
Core	General Conservation Information	Discontinued
Core	Training	Replaced – Activities included in appropriate New Programs
Core	Ask GPU	Replaced – Activities included in appropriate New Programs
Core	Administration	Replaced – Activities included in appropriate New Programs
Core	Information Systems	Replaced – Activities included in appropriate New Programs
Core	Evaluations	Replaced – Activities included in appropriate New Programs
Core	Home Energy Surveys	Replaced by Statewide Residential Retrofit Program
Core	C/I Audits	Discontinued
Core	Education	Replaced by School Energy Efficiency and Renewable Education Program
Core	NJ WARM	Replaced by Statewide Low-Income Program
Core	Other Approved Core Programs	Discontinued
Core	Residential New Const (Good Cents)	Replaced by Statewide Residential New Construction Program
Core	C/I New Construction	Replaced by Statewide C/I Energy Efficient Construction Program
Core	Residential Financing	Legacy
Core	HVAC Incentives	Replaced by Statewide Residential Electric HVAC Program
Core	Photovoltaic Program	Replaced by School Energy Efficiency And Renewable Education Program
Core	Time Of Day Water Heating Maintenance.	Legacy
DSM*2	Multi-Family Refrigerator Program	Discontinued
DSM*2	Power Savers	Replaced by Statewide C/I Energy Efficient Construction Program
DSM*2	Customer Flex	Replaced by Statewide C/I Energy Efficient Construction Program
DSM*2	Time Of Day Water Heating Maintenance (New Construction)	Legacy

Type	Previous Program Name	Status Post May 8, 2001
DSM*2	Appliance Cycling	Continued as Residential Air Conditioning Cycling Load Control Program
DSM*1	Home Fitness	Legacy
DSM*1	Appliance Turn –In	Discontinued
DSM*1	Appliance Cycling	Replaced by Residential Air Conditioning Cycling Load Control Program
DSM*1	CFL	Discontinued
DSM*1	Golden Carrot	Discontinued
DSM*1	Power Savers	Replaced by Statewide C/I Energy Efficient Construction Program
DSM*1	Customer Flex	Replaced by Statewide C/I Energy Efficient Construction Program
DSM*1	Power Partners	Legacy

**CRA Energy Efficiency Programs Transition
New Jersey Natural Gas**

Type	Previous Program Name	Status Post May 8, 2001
Core	Home Energy Savings Program (HESP)	Replaced by Statewide Residential Retrofit Program
Core	Low Income Weatherization Assistance Program	Replaced by Statewide Residential Low Income Program
Core	Energy Efficient Appliance Rebates	Replaced by Statewide Residential Gas HVAC
Core	Energy Education	Discontinued
Core	Commercial and Apartment Conservation Service Energy Audit (CACS)	Discontinued
Core	Energy Efficient Design in New Construction (1)Builder Appliance Rebate Program (2)Commercial Gas Cooling Rebates (3)Super Efficient New Homes	Replaced by Statewide Residential Gas HVAC Replaced by Statewide C/I Construction Replaced by Statewide New Construction Program
Core	Energy Conservation Center	Discontinued
Core	Subsidized Interest Loan Program	Discontinued

**CRA Energy Efficiency Programs Transition
NUI Elizabethtown Gas**

Type	Previous Program Name	Status Post May 8, 2001
Core	HESP	Replaced by Statewide Residential Retrofit Program
Core	Low Income Seal-Up	Replaced by Statewide Residential Low Income Program
Core	CACS	Discontinued
Core	Efficient Design in New Construction	Replaced by Statewide Residential New Construction Program
Core	Energy Conservation Information and Outreach	Discontinued
Core	Conservation Awareness In Schools	Discontinued
Core	Furnace Rebate	Replaced by Statewide Residential Gas HVAC Program
Core	Water Heater Rebate	Replaced by Statewide Residential Gas HVAC Program
Core	Industrial/Commercial A/C Rebate	Replaced by Statewide Industrial/Commercial Energy Efficient Construction Program
Core	Administrative/Research	Discontinued
Core	No/Low Interest Loans	Discontinued

**CRA Energy Efficiency Programs Transition
PSE&G**

Type	Previous Program Name	Status Post May 8, 2001
Core	HESP	Replaced by Residential Retrofit Program
Core	CACS	Discontinued
Core	E-Team Partners	Replaced by statewide Residential Low Income Program
Core	Low Income Direct Grant	Discontinued
Core	Zero/Low Interest Loan	Legacy Program
Core	Energy Efficient Home 5 Star	Replaced by statewide Residential New Construction Program
Core	Energy Conservation Center	Costs allocated to various new programs
Core	DSM Information and Promotion	Discontinued
Core	“In Concert With the Environment”	Continued
Core	Residential Electric HVAC Rebates	Continued
Core	Residential Gas Heating Rebates	Continued
Core	Residential Air Conditioning Cycling Program	Continued in maintenance mode
Core	Premium Efficiency Motor Initiative	Incorporated into statewide Commercial and Industrial Energy Efficient Construction Program
Core	Research Programs	Discontinued
Core	Chiller Replacement/Conversion Pilot	Incorporated into statewide Commercial and Industrial Energy Efficient Construction Program
Core	High Efficiency Unitary HVAC Pilot	Incorporated into statewide Commercial and Industrial Energy Efficient Construction Program
Core	Small C&I Rebate Program (M&V requirements)	Legacy Program
Standard Offer	Standard Offer Program	Discontinued for new applications; existing contracts continue in force.

**CRA Energy Efficiency Programs Transition
Rockland Electric**

Type	Previous Program Name	Status Post May 8, 2001
Core	Home Energy Audits / Energy Use Analysis	Discontinued
Core	Small Commercial Audits	Discontinued
Core	Energy Education Workshops	Discontinued
Core	“Good Cents”	Discontinued

**CRA Energy Efficiency Programs Transition
South Jersey Gas**

Type	Previous Program Name	Status Post May 8, 2001
Core	Accelerated HESP	Replaced by New Residential Retrofit Program
Core	Low Income Direct Grant Weatherization Program	Replaced by New Residential Low Income Program
Core	Residential Low Income Seal Up Program	Replaced by New Residential Low Income Program
Core	Residential Rebate High Efficiency Water Heaters	Incorporated into New Residential Gas HVAC Program
Core	Residential Rebate High Efficiency Furnaces	Incorporated into New Residential Gas HVAC Program
Core	DSM Residential Literature Information	Discontinued
Core	Residential Clock T'stats	Discontinued
Core	Residential Subsidized Loan Program Low Income	Legacy Program
Core	C.A.C.S.	Discontinued
Core	Residential Water Heater Wrap	Discontinued
Core	Residential Seal Up Program	Discontinued

Legacy Programs

Estimated Program Costs 2001 (12 months) Non-CRA Funded

Conectiv	
Residential Zero/Low Interest	\$ 35,000

PSE&G	
Zero/Low Interest Loan	\$287,500
Small C&I Rebate Program (M&V requirements)	\$ 60,000
Total	\$347,500

GPU	
Residential Financing	\$ 12,000
Time of Day Water Heating Maintenance	\$ 38,000
Home Fitness	\$ -
Power Partners	\$ 70,000
Total	\$120,000

South Jersey Gas	
Residential Subsidized Loan Program	\$11,000
