and money

New Jersey's Clean Energy Program is a statewide program administered by the New Jersey Board of Public Utilities that promotes energy efficiency and renewable energy for all New Jersey ratepayers, including residences, businesses, schools and municipalities. For more information please visit: [NJCleanEnergy.com](http://NJCleanEnergy.com).

## WHAT IS THE NEW JERSEY COMFORT PARTNERS PROGRAM?

The New Jersey Board of Public Utilities and your electric and gas utilities have joined together under *New Jersey's Clean Energy Program™* to partner with you and your family to save energy and money by making your home more energy efficient.

## OUR COMMITMENT TO HELP YOU REDUCE ENERGY USE

Program representatives will work with you personally, in your house or apartment, to evaluate the current level of energy efficiency in your home. They'll review many factors that affect your energy use – including home heating and cooling, water heating, lighting, and major appliances. They'll teach you and your family members new ways to conserve energy and help you create an action plan to support your efforts.

In most cases, program representatives will install energy-saving home improvements to lower your energy costs and improve your health, safety, and comfort. Improvements may include measures such as added insulation, caulking, weatherstripping, energy-saving showerheads, and light bulbs – all at no cost to you. All work is guaranteed for one year.

## YOUR COMMITMENT TO REDUCE YOUR ENERGY USE

When you sign an agreement to participate in New Jersey Comfort Partners, you truly become a partner in managing your energy consumption. Together with your Comfort Partners program representative, you and your family will make and carry out an action plan to help save energy. Everyone in your household has a role to play in lowering your family's energy costs while increasing comfort, health, and safety.

## WHO IS ELIGIBLE TO PARTICIPATE?

To participate in New Jersey Comfort Partners, you must live in New Jersey and your income must be at or below 250% of the Federal Poverty Guidelines, or you must participate in one of the federal/safety net partnership programs listed below:

- Home Energy Assistance Program (HEAP)
- Lifeline
- Pharmaceutical Assistance to the Aged and Disabled (PAAD)
- Section 8 Housing
- Federal Supplemental Security Income (SSI)
- Temporary Assistance to Needy Families (TANF)
- Universal Service Fund (USF)
- Medicaid
- Supplemental Nutrition Assistance Program (SNAP)
- General Assistance (GA)

Homeowners must own their home for a minimum of one year. Homes that are 0 – 5 years old or under builder's warranty are excluded.

New Jersey Comfort Partners has the right to verify income.

## YOU MUST ALSO:

- You must have an electric or gas account in your name serving your primary residence, which is only for your unit and not shared with any other residence.
- You must be living in a building (apartment, townhouse, etc.) with 1 – 14 residential units.

Participation will be prioritized by energy use with the highest energy users being served first.
