## Understanding Your Bill

**Full Service** applies to customers who elect not to participate in Retail Choice and continue to receive both the supply and delivery of electricity from Rockland Electric Company.

**Retail Choice** applies to electric customers who purchase their energy supply from an alternate energy provider rather than from the utility company.

**Basic Service Charge** covers the cost of metering, billing and other customer services. This charge may include the cost of a minimum amount of usage that is billed.

**Basic Generation Service Charge** recovers all costs incurred by the company from purchasing electricity for full service customers.

**Reconcile Charge** recovers the differences between amounts paid to BGS suppliers and BGS revenue for the preceding months for the applicable BGS supply.

**Capacity Charge** recovers costs the Company pays for the capacity it purchases from PJM.

**Distribution and Transmission Charge** reflects the cost of delivering energy through our lines to your home or business.

**CIEP Standby Fee** recovers the costs associated with the administration, maintenance and availability of BGS-CIEP service.

**Transmission Surcharge** recovers the charges related to transmission enhancement projects.

**Supplier's Electric or Gas Charges** reflect the cost of energy supply. This section appears on the bill only if the customer receives electric supply from an alternate energy supplier.

**Regional Greenhouse Gas Initiative (RGGI) Surcharge** recovers the costs associated with programs designed to limit greenhouse gas emissions.

**SBC Charge:** Societal Benefits Charge recovers the cost of mandated energy efficiency, environmental protection and low income assistance programs.

**Smart Grid Surcharge** recovers program costs associated with the Company's Smart Grid Pilot Project. The Department of Energy funds 50 percent of these program costs.

**Transition Bond Charge** is a charge to recover costs previously incurred by Rockland Electric to serve customers in a regulated environment.
