Program Application Process

Most equipment incentive applications will follow the process shown here. However, in order to confirm your program eligibility, pre-approval is required prior to starting work on all custom applications and incentive applications \geq \$100,000 for: Prescriptive Lighting, Performance Lighting, and Lighting Controls

¹All projects are subject to a post inspection to confirm equipment installation prior to incentive payment.

Incentive Spotlight

A supermarket in New Brunswick NJ received over \$800 from the SmartStart Program's food service equipment incentives. The incentive offset the cost of installing energy-efficient refrigerator doors and refrigeration controls to the facility.
