WARM Advantage Program Rebate Application

C. IMPORTANT TERMS AND CONDITIONS

1. This program is based on availability of funds. Procedures, requirements and rebate levels are subject to change and the program is subject to cancellation without notice.
2. Funding for oil, propane, or municipal electric customers are provided through the United States Department of Energy State Energy Program (SEP).
3. Due to the limited availability of funds, the program will terminate at the earlier of when funds are exhausted or June 30, 2021. Program termination will be posted on NJCleanEnergy.com.
4. It is the responsibility of the customer to assure that all requirements for the rebate are met and that all required documentation is provided by your contractor.
5. Failure to provide any of the required information will prevent processing of your application.
6. Rebate eligibility will be based on the equipment purchase date.
7. Incentives are available for the installation (retrofit) of qualified HVAC equipment in existing residential buildings; newly constructed home are not eligible.
8. Please allow up to 120 days from the date New Jersey's Clean Energy Program (NJCEP) receives all required information to process your rebate.
9. If the customer portion of the rebate is to be assigned to another party, the customer must authorize this by completing and signing section B of the application form.
10. NJCEP reserves the right to inspect all installations in order to ensure compliance with all program requirements.
11. NJCEP provides no oversight or control over any contractor services related to this program. Responsibility for proper sizing of equipment, as well as delivery and workmanship related to any equipment or services the customer procures, rests exclusively with the contractor selected by the customer. NJCEP assumes no responsibility for oversight of contractor services.
12. NJCEP audits its rebate programs as a protection against consumer and/or contractor fraud. Any attempt to defraud NJCEP will result in automatic rejection of the rebate application and possible legal action.
13. Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
14. Customers participating in other programs within NJCEP or New Jersey Weatherization Assistance Programs may not be eligible for rebates.
15. UEZ bonus incentive requires UEZ verification of the home being in a designated UEZ. Submit screen shot of address look-up verification from <https://www.nj.gov/njbusiness/financing/uez/>.
16. LMI bonus incentive, submit copy of income verification letter received from EFS. Apply for the additional incentives via <https://app.energyfinancesolutions.com/consumerportal/Default.aspx>. If approved, a resident will receive a letter from EFS stating that their income qualifies them for a bonus incentive.
17. Affordable Housing bonus incentive, submit a copy of an official document that identifies the dwelling as participating in a federal, state, or local affordable housing program. This includes, by way of example only, the New Jersey Department of Community Affairs listing of Affordable Housing available here <https://www.state.nj.us/dca/divisions/codes/publications/developments.html> as well as official documents showing identification by the documents regarding New Jersey Housing and Mortgage Finance Agency, United States Low Income Housing Tax Credit (LIHTC), and United States Housing and Urban Development (HUD).
