TO THE HONORABLE BOARD OF PUBLIC UTILITIES:

1. On August 1, 2012, Public Service Electric and Gas Company (“PSE&G”) filed its Petition (“Petition”) with the Board of Public Utilities (“Board” or “BPU”), requesting approval of the Solar4All Extension Program (“Solar4All Program”) and an associated rate recovery mechanism pursuant to N.J.S.A. 48:3-98.1 et seq. (“the RGGI Act”). More specifically, PSE&G proposed to extend its Solar4All Program by developing an additional 136 MW Dc of Solar photovoltaic systems.

2. On August 31, 2012, the Staff of the Board (“Board Staff”) advised PSE&G that certain filing deficiencies were present in the Company’s Petition.
3. On September 12, 2012, the Company filed a letter with attached materials intended to remedy any deficiencies in the Petition.

4. By letter dated October 19, 2012, Board Staff notified the Company that the Petition was administratively complete. Therefore, the Board’s 180-day review period under the RGGI Act commenced on September 12, 2012 and will expire on March 11, 2013 (the “RGGI date”).

5. By Order dated October 23, 2012, the Board determined to retain this matter for review, designated President Robert M. Hanna as the presiding hearing officer and adopted a procedural schedule. Following the filing of the Petition, the undersigned parties have engaged in extensive discovery and intend to participate in settlement and discovery conferences. While the undersigned parties continue to discuss settlement, they have not been able to reach a settlement of all outstanding issues.

6. By Order dated November 19, 2012, President Hanna set forth the procedural schedule for this matter. The procedural schedule therein anticipates a March 2013 agenda date.

7. In light of the fact that the undersigned parties’ discussions may not be completed and a settlement may not be ready for submission to the Board by the RGGI date, they have agreed to request an extension to April 1, 2013 in order to provide the Board with additional time to complete the processing of the Petition and issue a final determination in this matter.

Accordingly, the undersigned parties hereby STIPULATE AND AGREE as follows:

8. The undersigned parties, pursuant to N.J.S.A. 48:2-21.3, have agreed to extend the 180-day RGGI Period for Board action on PSE&G’s Petition, required under N.J.S.A. 48:3-98.1, to accommodate the deadlines in the schedule attached hereto. The new deadline for Board action on the Petition is April 1, 2013.

9. This Stipulation represents a mutual balancing of interests, contains interdependent provisions and, therefore, is intended to be accepted and approved in its entirety.
In the event any particular aspect of this Stipulation is not accepted and approved in its entirety by the Board, any of the undersigned parties aggrieved thereby shall not be bound to proceed with this Stipulation and shall have the right to litigate all issues addressed herein to a conclusion. More particularly, in the event this Stipulation is not adopted in its entirety by the Board, in any applicable Order(s), then any of the undersigned parties hereto is free to pursue its then available legal remedies with respect to all issues addressed in this Stipulation as though this Stipulation had not been signed.

WHEREFORE, the undersigned parties hereto do respectfully submit this Stipulation and request that the Board issue a Decision and Order approving an extension until April 1, 2013.

ORDER ON PROCEDURAL SCHEDULE

DOCKET NO. EO12080721

Parties of Record:

Stefanie A. Brand, Esq., Director, New Jersey Division of Rate Counsel
Matthew Weisman, Esq., Public Service Electric and Gas Company

BY PRESIDENT ROBERT HANNA:

On August 1, 2012, Public Service Electric & Gas ("PSE&G" or "Company") filed a petition ("Petition") seeking approval of an extension of its solar generation investment program and the associated cost recovery mechanism ("Program"). In its Petition, the Company states that it will add 136 megawatts ("MW") of solar photovoltaic systems to its current Program approved by Board Order dated August 3, 2009, In re Petition of Public Service Electric and Gas Company for Approval of a Solar Generation Investment Program and Associated Cost Recovery Mechanism, under docket EO09020125. The Program is divided into four segments: Segment A, on landfills and brownfields, with a proposed capacity of 90 megawatts; Segment B, on warehouse roofs, with a proposed capacity of 20 MW; Segment C, on parking lots, with a proposed capacity of 25 MW; and Segment D, for pilots and demonstrations, with a proposed capacity of 1 MW.

By letter dated August 31, 2012, Board Staff notified PSE&G that the Petition was administratively incomplete. On September 12, 2012, PSE&G submitted a supplemental filing to address the deficiencies identified in Staff’s August 31, 2012 letter. By letter dated October 19, 2012, Staff notified the Company that the Petition was administratively complete.
By Order dated October 23, 2012, the Board determined that this matter should be retained by the Board for review and hearing, and, as authorized by N.J.S.A. 48:2-32, designated me as the presiding officer who is authorized to rule on all motions that arise during the proceeding, and modify any schedule that may be set as necessary to secure just and expeditious determination of the issues.

Pursuant to that authority, I **HEREBY SET** the schedule for this proceeding which was developed by Board Staff, PSE&G and the New Jersey Division of Rate Counsel ("Rate Counsel"):
